David,

Can you suggest a few dates and times that work for you?

Hi Lorena,

It was nice talking to you earlier today. Yes, the timing is good for meeting about where we are in our project and getting input from you and your colleagues and board members. Please let me know when is convenient and we can plan a time to meet.

Hi Kati,

I wanted to follow up on your project for San Pedro. Are you in the planning phase? A couple of my board members wanted to provide you with some ideas.

Let me know when you will be in San Pedro again.

Best regards,
